

Imposing Congress-rooms

We offer 700m² of different meeting rooms, customized to your convention - from a conference with 180 attendants to a meeting with 5 colleagues.

Distinct.

A distinct room structure, warm materials, exceptional shapes and a good atmosphere: our modern and functional rooms are perfect for implementing your ideas.

Competent.

Pragmatic, straightforward and committed: we cater to your needs.

Sustainable.

Our materials and catering are consciously selected and gentle to the environment and resources. The convention-center "ETAGE" is located in the Solar info Center, an ecological model building.

Our service is your success

Our primary goal is to thoroughly orchestrate your event. We provide you with support and advice and accompany your event from the early stages of planning to the evaluation afterwards. Our experienced team will assist you to make sure you can fully concentrate on your meeting and guests.
